**Re : Bite IT / Web Design, Hosting & Tech Support - Reference**

Please be advised that *Bite IT* have provided *Web Sheriff* - and its sister company *ELA* - with web-site design, web-site hosting and web-site related technical support services for several years.

We have found their services to be most efficient, friendly and competitively priced and, in summary, we would not hesitate to recommend their services to third parties.

Should you require any further information about the high standard of *Bite IT's* services, we would be more than happy to discuss the same with you.

Yours faithfully,

**JOHN GIACOBBI**  
**Managing Director**
